FROM: General Secretary

To: All Zonal Chairmen/Secretaries/SAGS/SOS

Dear Comrades,

**NUPENG NOT ON STRIKE**

The leadership of our great Union in recent times have been inundated with calls by members and non-members on the recent fuel queues experienced in the country to know if NUPENG is on strike.

Let me use this medium to inform our rank and file that the Union is not on strike and that our members should go about their normal duties. We re-iterate that our members in the Petroleum Tanker Drivers Branch of NUPENG are working and loading petroleum products from the Depots to the nooks and crannies of the country.

Let me also use this opportunity to tell our members that NUPENG is not part of the PENGASSAN nation-wide strike and as a result should go about their normal business.

You are therefore instructed by this information to pass the message across to all our members in the Units, Branches and Zones that NUPENG is not on strike.

Fraternally yours,

**Joseph Ogbemor**

General Secretary
